

Dear Future FAMily Sponsor,

Foster Alumni Mentors (FAM) is excited to announce **our annual FAMpoint5k (.5k) fundraising event is going VIRTUAL!** You heard that right, one half of a kilometer, or a nice, easy-breezy third of a mile and participants will participate virtually. And this year we are offering a 5k option for those who actually enjoy running!

On **Saturday, September 26th**, over 100 volunteers, board members and community members will come together (separately) to celebrate another year of service to the Grand Valley with a virtual race. This year we are hoping to raise over \$10,000!

Our mission is **to connect individuals who have experienced foster care with a strong, supportive community, increasing personal growth and opportunities for success.** It comes from the hard truth that youth often experience a difficult road while in foster care and again when they leave or “age out” of the system. FAM partners Alumni with community volunteers and builds on their own unique talents to teach them life skills, provide guidance, and inspire hope.

**Here's where you come in!** Join us as a FAMpoint5k sponsor, so we can continue to provide quality programming and access to opportunities for Foster Alumni here in Mesa County.

Enclosed you will find the **sponsorship opportunities** for this fun, exciting, and important event as well as a **sponsorship commitment form** if you choose to support our event.

Thank you for your consideration to support our FAMily!

Warm regards,

Kimberly Raff
