

Dear Future FAMily Sponsor,

Foster Alumni Mentors (FAM) is excited to announce our **4th annual FAMpoint5k (.5k) fundraising event**. You heard that right, one half of a kilometer, or a nice, easy-breezy third of a mile. We had such a great turnout last year of those who actually enjoy running that we will be offering the 5k option as well!

On **Saturday, September 25th, 2021**, over 100 volunteers, board members and community members will come together (and virtually!) to celebrate another year of service to the Grand Valley and bring awareness to the ongoing challenges youth face as they emancipate from foster care without family to help them navigate the transition to adulthood.. **This year we are hoping to raise over \$15,000!**

Our mission is **to build community around foster alumni**. It comes from the hard truth that youth often experience a difficult road while in foster care and again when they leave or “age out” of the system. FAM partners with Alumni to provide them with essential skills, provide guidance, and inspire hope while connecting them to a positive support system.

Here's where you come in! Join us as a FAMpoint5k sponsor, so we are able to continue providing quality programming for Foster Alumni here in Mesa County. Through your support we have been able to connect members with meaningful employment, assist with food when they experience a difficult time, provide a security deposit to create stability in a new home, and build a positive support system around each of them, increasing their opportunity to be successful.

Enclosed you will find the **sponsorship opportunities** for this fun, exciting, and important event as well as a **sponsorship commitment form** if you choose to support our event.

Thank you for your consideration to support our FAMily!

Warm regards,

Kimberly Raff
